

Unlocking Student Potential: 2022–23 Impact Report

Prepared for the Julie Patel Foundation

U of T's longstanding pledge that no qualified student will have to decline admission or withdraw from studies due to financial circumstances is made possible by donors like you. Your remarkable commitment to equity and accessibility is changing students' lives and preparing them to meet complex challenges. We are pleased to present this report on the students who benefitted from your generosity from May 1, 2022, to April 30, 2023. We are grateful for the enduring support of the Julie Patel Foundation.

Dear Donor,

I would like to take the time to write to you and thank you for the opportunity you have given me to receive and accept this award. I am currently finishing up my third year of study and will be on to my final year this September.

My current programs consist of a double major of both Biological and Psychological sciences. Throughout my years in study, I have been allowed the opportunity to take many forensic science courses as it was a novel interest I came to find when I first came to be at U of T. The opportunities that have been made available to me here have been something that I have been

very appreciative of.

Pursing my academic career has been made possible with the help of financial support like yours. By receiving the Julie Patel Foundation Award this year, I have been able to put it towards the costs I spent on my books, parking pass and tuition for the year. I truly appreciate this opportunity.

Thank you again for this award and for making this opportunity possible for me.
