

Thank you!

Dear Dr. Patel,

Thank you for celebrating U of T's third annual Giving Day!

You are part of a community of generous donors who came together on Giving Day to support students and scholars across U of T.

That's **over 2,800** supporters who — like you — believe in the power of higher education.

Thanks to matching funds and our community's generosity, you helped raise an incredible **\$3,096,862.60** this Giving Day!

On behalf of every student and scholar who will benefit from your support, thank you for helping build a stronger, more accessible U of T.

Progress takes a community, and we are fortunate to have you as part of ours.
