

Thank you, Ameen!

University is a life-changing experience – a focused time and place to explore and grow through classroom and experiential learning, volunteering and leadership, athletics and recreation, creative endeavours and finding new friends and mentors. A time that plants the seeds of high-impact careers and lives that add value throughout our communities. A time that will hold special memories and stories when Laurier graduates look back.

Through your support for your named award(s), you're an important part of the Laurier story for the following student(s):

Julie and Ahmed Patel Foundation Award

Student, Bachelor of Science Health Sciences,
Year 4

Many students would like to share their appreciation and Laurier story with donors when possible. We will forward along any messages that they wish to send to you.

If you support more than one student award and you don't see them all listed here, it means that the award has not yet been granted. Student awards are granted throughout the school year, and you will receive another notification email when that happens.

On behalf of Laurier students, we extend our heartfelt gratitude and deepest appreciation for your support. Thank you for being a part of their story!

Should you have any questions, please don't hesitate to contact us at donorrelations@wlu.ca.

Forwarded on behalf of Brittany Russell

"The experiences I've had at Laurier have not only helped me grow academically but also personally, and I'm grateful for everything I've learned and the opportunities I've had to connect with others. I'm excited to apply the skills and knowledge I've gained at Laurier to whichever path I choose. A donation like this is incredibly important for Laurier students because it supports our ability to access resources, engage in extracurricular activities and take full advantage of the opportunities Laurier offers."

– A grateful Laurier student
